The Prez Says:

A few years ago our club celebrated its 50 year anniversary. I was privileged to be able to go through many boxes of old pictures and news clippings and put together a display. A few days after the meeting I received a hand written letter from our first president, Mary Middleton thanking me for my work. It is a letter that I have kept.

Our history is important. Mary Middleton set the bar high. It was her spirit and attitude that I wish our club to emulate. She had an amazing ability to bring a spirit of unity to everyone she touched.

We face a season of primaries. I know that putting your name on the ballot involves much personal sacrifice. It is my hope that each member of our club will treat each candidate with an attitude of respect. As a club we do not endorse any candidate and we will offer an opportunities for them to address our members at the March forum. I know that as individuals you will do your own research and support the candidate you feel will best represents you. When the May primary passes and the winners are announced, it is our club policy to support the winner.

At this month's meeting you will have the opportunity to bid on a basket of goodies. If you approach Billie McDaniel as she sells tickets and hand her a piece of paper with the word "RESPECT" on it you will receive one extra ticket, when you purchase your ticket/s (only one extra ticket per person though!).

I look forward to seeing you soon. Let's continue to work together for the good of the party and our community.
