KCRWC Member of the Month - Anne Dennis

Anne was born a Republican. She was born in Harrison County to parents who were active Republicans. Her father worked at the polls. She remembers as a little girl she would walk with her mother to meet her father at the General Store after the polls had closed. Anne worked at H&S Pogue when she first came to this area after graduating from Berry High School in 1942. She also attended Miller Business College. She met her husband, Clarence, who worked at GE for 26 years and they had 3 children. After her children were born, she was a stay at home mom until 1962, when she and a friend opened a private employment agency, Tower Personnel, which was located in the Crew Tower. She worked there 26 years until retiring in 1987. Anne didn't retire though. She has always been active in her church. She was a member at St. Luke's Methodist in Covington for 25 years before moving to Immanuel Methodist, where she has been a member for 42 years.

Anne was a Sunday School teacher for 25 years, a youth director, sings in the choir, and recently completed a video for the church that she found very interesting. She is a member of Immanuel Methodist Women-Sarah Circle and the Quilting Club. She makes quilts and does embroidery. She makes many quilts - baby quilts and also lap quilts for nursing home residence. She makes quilts for any organization that asks. Anne is a giver. Her motto is "Others". She was raised in a family of six that always helped people who were in need. She believes charity is important. Anne is also involved with another church mission that feeds 200-300 homeless on Sunday night. It is called "Sunday Night Live".

Anne has been a member of KCRWC since the 80's and has walked many miles for candidates in Park Hills. She was never an officer in KCRWC, but has been a leader and held offices in many of the church and civic groups she has been involved in over the years.

Anne just celebrated her 92nd birthday. She was born January 10, 1923. Besides her 3 children, she has 3 grandchildren. Another very interesting thing about Anne and maybe the most important, she is an avid UK fan!
