Hello Members and Friends,

I hope you had a wonderful weekend celebrating the Resurrection of our Lord.

Spring Break has come and gone for most of us and the focus on the upcoming Primary has begun. 40 days, until we go to the polls and vote for the person we feel will best represent us.

Our club has a long tradition of involvement. I know you are all looking at websites and going to events to better know your options. And I hope you are doing more than looking. I hope you are getting involved. These candidates are putting so much on the line and they all deserve our respect. It is time to pick the ones you support and give them the help they need to succeed.

As a club we do not endorse in primaries, but as individual members we are expected to put some boots on the ground and help. Contact your choice! Volunteer! And keep track of your hours:)

If you know of events that your candidate is having in the area please encourage them to e-mail Lynn at news4kcrwc.org so she can send out the information to our club.

It was an exciting day for Kentucky on Tuesday when our own U.S. Senator, Rand Paul announced his bid for the Presidency. No matter whom you are supporting, it is exciting to have someone we know so well entering the race!

But, for now, let us concentrate in electing good candidates and then supporting the winners so we can take the state by storm in November!

Blessings,

Kelley Westwood, KCRWC President
