It is with great excitement, that we announce high school Senior, **Bethany Stockman** as our 2016 KCRWC Mary Middleton Scholarship winner. She will attend Northern Kentucky University in the fall of 2016. Beyond her winning essay, her community references describe her as dedicated, driven, humble, positive, and a hard working conservative young lady. Congrats Bethany! If you would like to meet and congratulate Bethany, she will be awarded her scholarship at the KCRWC luncheon on **May 23rd at 11:30 a.m.** at the **Oriental Wok** on Buttermilk Pike in Ft. Mitchell.

About the Scholarship: The Mary Middleton Scholarship is presented annually to a student who understands the importance of civic engagement within the young adult community. The \$500 scholarship is named in honor of KCRWC's founder Mary Middleton, who dedicated over fifty years of service to the organization. PRESIDENT Pam Dimmerman says.....

Did you know that the story of Republican women's clubs begins many years before women even had the right to vote? Inspired by the Republican Platform of 1872, which said: "The Republican Party is mindful of its obligation to the loyal women of America for their noble devotion to the cause of Freedom ...," Republican women's clubs were off and running. In fact, the oldest such club on record was founded in Salt Lake City in the late 1800s. At the time of NFRW's founding, three states – Maryland, Virginia, and Alabama – had not even ratified the 19th amendment to the U.S. Constitution granting suffrage to women.

Today, the NFRW – once an auxiliary of the Republican National Committee – is financially and organizationally independent. It is one of the largest grassroots political organizations in the country with thousands of active members in local clubs across the nation. The goals of the NFRW is to encourage women's participation in the governing of our nation, to elect Republicans to office at all levels, and to promote public awareness of the issues that shape America.

Millions of American women, ages 19 to 90, have helped shape our nation through wartime and peace, through depression and prosperity, through good times and bad – all through the National Federation of Republican Women. Each one of us has an obligation to continue with those traditions established by this organization so many years ago.

On May 17th, our primary election will be held in Kentucky. Please be sure to go to the polls and vote. Encourage your family and friends to do the same thing. Good leaders must lead by example. By walking your talk, you become a person others want to follow.

Ghandi once said: "You have to do the right thing...you may never know what results come from your action. But, if you do nothing, there will be no result."

God Bless you each and every one!

Please keep all candidates in your prayers!

Pam Dimmerman

KCRWC President, 2016 thru 2017
