President Pam Says...

Henry Van Dyke once said, *“Gratitude is the inward feeling of kindness received. Thankfulness is the natural impulse to express that feeling. Thanksgiving is the following of that impulse.”*

I think I can honestly say, I am glad this campaign season is over. Even today, almost one week after the elections, most news casts are negative and uninviting. Very few seem to be grateful for all the opportunities we have in this country. I can tell you this, God is good and I am thankful He loves me even when I am undeserving.

During this Holiday Season, I would like to challenge each of you to renew your commitments, pray for those who are close to you and serve someone else who may need help. There is no doubt in my mind you will celebrate a season of gratefulness and thanksgiving.

Thank you to all who did their part in helping our conservative candidates during this election cycle. Please keep them and those who surround them in prayer as they begin to represent us in our local, state and national government. God Bless you all during this holiday season.
