Message from President

“The biggest concern for any organization should be when their most passionate people become quiet”. Stop and think about that for a moment, especially with these recent elections.

I recently had a debate with someone whom I have known for years. When he made a comment I knew for a fact was not true regarding elected officials, I had to say something. In the course of the conversation, I stated, “If you think you can do better, run for office to make the changes people like you keep asking for, keep getting and still are not happy. I give anyone an applause, Republican or Democrat, for putting themselves out there to run for office and to try something different because people like you keep telling them how wrong they are.”

The same goes for our Federation of Republican Women beginning at our club level. Our Executive Board is composed of volunteers who believe in the effectiveness of our members while conducting the business of our club.

As your President for one more year, it is my pleasure to continue working Shawn Baker, 1st Vice President, Brittaney King, 5th Vice President, Dawn Young, Secretary and Kelley Westwood, past President. It is an honor to continue working with these fine ladies whom have returned to the Board as newly installed Board members, Kim Kraft, 2nd Vice President, Katie Shumate as 4th Vice President and Nancy Bunnell, Treasurer. It is an honor to begin a new work year with Marina Logsdon, your new 3rd Vice President. Thank you ladies for being passionate about our club and for being a voice for our members out front. Thank you to those who have graciously accepted my appointments to committees and also to our members who support our efforts. God Bless you each and every one.

TAXES... *Just a reminder as you get your tax items collected and ready to process for the year: please make sure that you check off the **REPUBLICAN** box or boxes for the Political Party Fund for yourself and spouse (if applicable). Make sure your CPA/accountant knows as well! This does **NOT** in any way increase your tax bill or decrease your refund, but it can help your Republican Party. Thank you for passing this on to family and friends too!*

REMEMBER TO TALLY YOUR CAMPAIGN HOURS: Please remember to tally your campaign volunteer hours! We know so many of you have worked countless hours during this election YEAR, but we really do need an actual count. Look for forms at all of our meetings!
