*Congratulations goes out to Mary Lou Blount for receiving the 2017 Mary Middleton Lifetime Achievement Award. Mary Lou first became active with the Kenton County Republican Women's Club in the 1970's. Through the years she has held committee chairmanships at the local level while being active with the Kentucky Federation of Republican Women. During her tenure as our president, the KCRWC celebrated 50 years as a club. When you see Mary Lou, congratulate her and thank her for her many years of service to the KCRWC and the Kenton County Republican Party. Mary Lou, we are proud of you. Also, please congratulate Mr. Scott Kimmich being named the recipient of the 2017 Clyde Middleton Lifetime Achievement Award. Both will be honored at the Kenton County Republican Party 2017 Spring Fling on May 11th at the Covington Radisson.*

*Thank you to everyone who came out to our Third Annual Pancake Breakfast. Attendance was great, and it was our most successful Pancake Breakfast as a fundraiser to date! A special thank you to Billie McDaniel for her excellent planning and execution of such a successful event!*

**S - Z** bring your favorite wine!

***We are very excited to be the first club in the state of Kentucky to have a Red Shoe Book Club!***

The NFRW (National Federation of Republican Women) formed the Red Shoe Book Club to encourage clubs across the United States to take the opportunity to get together and share literature within our membership. The NFRW established September as Literacy Month working in conjunction with the Barbara Bush Foundation. Clubs can select a project that is one time or on going to promote literacy. We have chosen the Red Shoe Book Club to be our KCRWC ongoing Barbara Bush Literacy Project.

We are taking reservations so we have an idea of how many to expect at the first book club meeting. Please call Pam Marcum if you plan to attend at [859-341-5718](tel:859-341-5718). Call Shawn Baker with any questions at [859-446-8678](tel:859-446-8678).

*The Red Shoe Book Club is limited to paid KCRWC members only.*

***Cinderella is proof that a pair of shoes can change your life. So can a book!***

***A Message from President Pam Dimmerman:***

*To quote Anne Frank, "Everyone has inside of her a piece of good news. The good news is that you don't know how great you can be". When the National Federation of Women (NFRW) was founded in 1938, I cannot help but wonder if they knew how great our organization could be. As a member of the NFRW, we should be proud to take part in one of the largest grassroots political organizations in the country. We empower women from all backgrounds in the political process and provide a forum for women to serve as leaders in the political, government and civic arenas. Our members in the KCRWC set a great example with their community outreach and activity in political campaigns. We have current members serving our government either as an elected official or as support staff. Whether you take on one of these public roles or quietly support the efforts of our club, you are the backbone of what it means to be a Republican Woman. If it were not for each one of our members, our club could not share the "Good News". God Bless you each and everyone!*
