TIME TO
RENEW

Letter from the President

Happy New Year! I hope you enjoyed your time with family and friends during the holiday season and are feeling joyful and optimistic about 2020.

As the newly elected KCRWC President, I am excited and honored to have been chosen during this historical election year in our Nation. I am also grateful to have an amazing group of talented women on the Executive Committee with me who are ready to accomplish many great things this year. We're looking forward to bringing you a variety of interesting speakers to keep us informed on the local political scene, important legislative changes/updates, and relevant community issues.

The beginning of each year marks a time for transition, time to reflect on the year or years past and time to plan a course for the future. So here begins our journey of 2020 together. There will be many exciting adventures for the KCRWC this year. We will try new methods of outreach. We will explore ways to keep you engaged as we grow. We will also hope to create a welcoming, inclusive, fun and fulfilling environment for everyone as we come together as conservatives caring for our country and communities.

My plea to the membership is, don't hold back on us! You have valuable abilities to share! When you fill out your membership renewal form for 2020, let us know what you can bring to the table to help.

Don't just be involved, be committed!

May your New Year be blessed, and may we all remember how fortunate we are to live in the greatest nation in the history of mankind.

Fondly,
Sherry Goodridge

TAXES

Just a reminder as you get your tax items collected and ready to process for the year: please make sure that you check off the REPUBLICAN box or boxes for the Political Party Fund for yourself and spouse (if applicable). Make sure your CPA/accountant knows as well! This does NOT in any way increase your tax bill or decrease your refund, but it can help your Republican Party.

Thank you for passing this on to family and friends too!
