## President's Message

Dear members and friends,

It is with a bittersweet feeling that I write this newsletter message to bid farewell as the outgoing President of our beloved club. As my term comes to an end, I have been reflecting on the incredible journey we have embarked upon together and the progress we have made. First and foremost, I want to express my deepest gratitude to each of you for your unwavering support and dedication. Without your enthusiasm and commitment, none of our achievements would have been possible.

During my four-year tenure, we have accomplished remarkable milestones. From overcoming the challenges of the pandemic, to successful fundraising events, continuously working hard to elect many conservative candidates and welcoming many new faces to our club. These accomplishments are a testament to the dedication and hard work of our membership.

As I pass on the gavel to the incoming President, I am confident that the KCRWC will continue to flourish and achieve even greater heights. I promise you all I will do my very best in the remainder of my term to ensure the incoming leadership team is prepared, supported and ready to continue to bring fresh perspectives and ideas to the table.

Lastly, I would like to express my sincere appreciation for the incredible opportunity to serve as your President. It has been an honor and a privilege to work alongside such remarkable individuals who share a common passion for our mission. Thank you for your trust, and friendship. I am truly grateful for the memories we have created and everything we have achieved together. Let us continue to work towards a brighter future, knowing that our collective efforts can make a profound difference in our communities and the GOP.

With heartfelt gratitude,

*Sherry Goodridge*

KCRWC President

## Candidate/Volunteer Appreciation

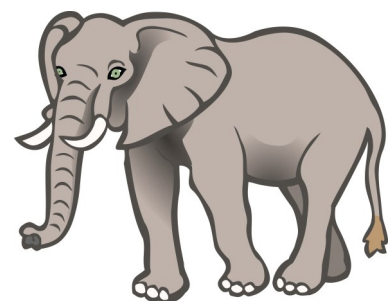

We would like to take this opportunity to thank all of the Republicans who put in the effort to run for statewide office this year. As of publication time, we do not have the results but we are so proud of you! Thank you, also, to all of the campaign volunteers who walked door-to-door, made phone calls, posted on social media, and helped spread the word about our Republican candidates.

You can find more details and sign the petition by visiting the website [KeepNine.org](http://KeepNine.org). The "Keep Nine" Amendment is the most widely supported specific Supreme Court reform in America. More than 1000 elected officials across America including almost 200 members of Congress and more than 800 state legislators now back the Amendment. Packing the Supreme Court would be devastating to America.
